Lower School Early Drop-off Option 2016-17

The Lower School's Early Drop-off Option provides a place for students when parents need to drop their students off a little early. Students may be dropped off in the media center every morning beginning at 7:20am. There, students will be supervised by HSP faculty and brought to the cafeteria at 7:40am.

All students who take advantage of early drop-off must be registered with the program. Please complete the registration form below and return with payment to Emily Maranville in the Lower School Office.
