

We are pleased to announce the dates for the 2007-08 “Fellowship Dinners” at Holy Spirit Preparatory School. These dinners give families from Preschool through High School the opportunity to sit down and share a meal with other families and students in our school community. If your whole family cannot attend then individual Grandparents, Parents and Upper School students are invited to join our extended family for the evening.

Why fellowship dinners? Slowing down to share conversations and food with ones community is an enjoyable thing to do. There are also many other benefits to eating together, including:

- Better communication. Families and friends that spend time together on a regular basis become involved in the important life events of each other lives.
- Shared learning. We all can each benefit from sharing the things we have learned throughout the day and in our lives.
- More time together. We all need to eat, and in our busy lives this can be one of the best opportunities to share each others’ company.

Meals will be serve beginning at 6:00 PM in the cafeteria at the Upper School. Families are encouraged to RSVP for the entire year; however, please RSVP the Friday prior to the dinner in order to prepare the food and set the appropriate number of places at our tables. The cost per dinner is \$5.00 for adults and \$3.00 for students. We look forward to seeing you there!
