

# EXTENDED TWO MORE WEEKS!!!!

## Lower School Effort Sponsored by the Student Council to raise money for Project Zambia

In an effort to support the school wide cause to help with the construction of a dormitory for students at the Minga Secondary School, the Lower School Student Council will be selling Chick-Fil-A biscuits at a cost of \$2.25 each for Wednesday morning, March 12 & March 19 at the Lower School Campus. Working with the management of Chick-Fil-A in Sandy Springs, we have negotiated an arrangement for all profits to go directly to this cause.

This form will give you the opportunity to preorder for your child(ren). We ask that you complete one form per family and turn into the main office. Please indicate below the date and number of chicken biscuits you would like to purchase for your child. Biscuits will be distributed from 7:40 AM - 8:00 AM in the cafeteria. Extra biscuits will not be available for sale. We hope you will participate in this effort.

---

Please complete this form and enclose with a check made payable to Holy Spirit Preparatory School and return by Monday, March 10th. Forms need to be returned each Monday to the Main Office in order for orders to be placed in advance.  
Many thanks for your support!
