

I am in the final stages of scheduling the donors for next week's blood drive on November 1st. If you have not emailed me, and still want to donate, please, it is not too late. We will begin the drive at 8:30 AM (although this is an all school Mass, several parents have indicated they would like to donate as early as possible). LifeSouth will be leaving at 2:30 PM due to gym use after school.

Thank you to all who have volunteered to donate!
