

2008-09 Fellowship Dinners

We are pleased to announce the dates for the 2008-09 "Fellowship Dinners" at Holy Spirit Preparatory School.

These dinners give families from Preschool through High School the opportunity to sit down and share a meal with other families and students in our school community. If your whole family cannot attend then individual Grandparents, Parents and Upper School students are invited to join our extended family for the evening.

Why fellowship dinners? - Slowing down to share conversations and food with ones community is an enjoyable thing to do. There are also many other benefits to eating together, including:

- *Better communication. Families and friends that spend time together on a regular basis become involved in the important life events of each other lives.*
- *Shared learning. We all can each benefit from sharing the things we have learned throughout the day and in our lives.*
- *More time together. We all need to eat, and in our busy lives this can be one of the best opportunities to share each others' company.*

The cost per dinner is \$5.00 for adults and \$3.00 for students. Additional information is being prepared including menus and the RSVP form. For your planning, a list of dates are provided below indicating any special events planned for each Fellowship Dinner.
