

HOLY SPIRIT
PREPARATORY SCHOOL

Dear Parents,

We're excited to announce our new school management system – FACTS SIS (Student Information System).

Through the FACTS Family Portal, a private and secure online platform, parents and students will be able to see academic information, while protecting their information from others.

The FACTS Family Portal link can be found on the school website under the Calendar/Quicklinks menu.

You may also access the FACTS Family Portal on your smartphone by scanning the QR code below to create your FACTS Family Portal account:

For questions regarding FACTS Family Portal, please contact Emily Labbé (elabbe@holyspiritprep.org)
